Civil Action No. 3:14-cv-00852-REP-AWA-BMK

JOINT SUBMISSION REGARDING ANTICIPATED LENGTH OF WITNESS TESTIMONY

On Friday, September 22, the Court convened all counsel on a telephone conference to address various issues reflected in the Parties' Joint Proposed Agenda for Final Pretrial Conference, Dkt. No. 197. During that telephone conference, the Court requested that the Parties provide, in advance of the pretrial conference, their estimates of how long they anticipate each witness will testify. The Parties' estimates are set forth below.

¹ Witnesses are listed in alphabetical order, which is not necessarily the order in which they will be called to testify. While the estimates provided are good faith estimates based on the overall time allotted for trial and the Parties' current assessment of each witness's likely testimony, the Parties are continuing to develop their trial presentations. Accordingly, the Parties note that their presentations may run longer or shorter than the provided estimates in some cases. Additionally, the estimates below do not include time allotted for Plaintiffs' rebuttal case, as any rebuttal case will depend entirely upon the testimony as presented during Intervenors' case-in-chief.
